Welcome to Burgwedel

Dear new residents,

It is not easy to find one's way in a new city, more so
in a new country. This brochure will help you get
oriented in Burgwedel and find the right contact person
for your matter. On the next pages you can find
advisory services, clubs and institutions that can assist
and support you. You can also find interesting cultural
and educational activities.

Diversity is of great value to our community. This is
why I, the mayor of Burgwedel, welcome you to our
city!

Yours sincerely

Axel Düker
